WHAT IS THE FINE FOR A CELL PHONE VIOLATION?

All tickets issued after 7/1/2014 now require a court appearance.

DO I GET POINTS ON MY LICENSE?

Points are not assessed by the court. The Motor Vehicle Commission (MVC) assesses points. A record of a guilty plea or finding of guilt on a traffic summons is sent to the MVC. The MVC assesses points based on the offense. Information about points can be found on the judiciary's website, www.njmcdirect.com, click on the link for "NJ Point System".

IS A COURT APPEARANCE REQUIRED TO RESOLVE MY SUMMONS?

If your offense is listed on the Statewide Violations Bureau schedule and the officer did NOT check the "Court Appearance Required" box, you may pay the fine without an appearance if you are pleading guilty.

If you fail to notify the court of your not guilty plea, you may have to make additional appearances to resolve this matter.

WHAT OCCURS IN COURT?

The judge will read an opening statement explaining court procedures. The judge then reads the names on the court calendar. At that time, the defendants will state whether they are pleading guilty or not guilty to the offense charged.

All defendants pleading not guilty will then be given the opportunity to speak with the municipal prosecutor to settle their case. The prosecutor can make an offer to downgrade the offense you are charged with in exchange for a guilty plea (plea bargaining). He can request that the judge dismiss your ticket (court costs may be ordered), or will bring your case to trial.

WHAT HAPPENS IF I'M FOUND GUILTY?

The judge will assess the fines. You will be required to pay all monetary penalties ordered. Payment is due in full the day of court. Depending on the offense charged, you could be ordered to perform community service, or your driving privileges could be suspended as part of your sentence for the more serious offenses.
